IMPORTANT NOTICE

Recipients of this consent solicitation statement (the “**Statement**”) and the accompanying materials should not construe the contents hereof or thereof as legal, business or tax advice. Each recipient should consult its own attorney, business advisor and tax advisor as to legal, business, financial, regulatory, tax and related matters concerning the solicitation of consents (the “**Consent Solicitation**”).

The Consent Solicitation in respect of the Issuer’s 5.75% Senior Notes due 2021 (the “**Notes**”) is being conducted in a manner eligible for use of the procedures of Euroclear Bank SA/NV and Clearstream Banking, S.A. (“**Euroclear**” and “**Clearstream**,” respectively, and, together, the “**Clearing Systems**”). The Notes were issued pursuant to an indenture dated as of June 5, 2014 (as amended, supplemented, waived or otherwise modified from time to time, the “**Indenture**”). The Notes are recorded in the books of the relevant Clearing System in the names of direct holders or of intermediaries that hold the Notes (the “**Direct Participants**”). In order for their Consents to be considered validly delivered, Holders of Notes must: (i) have delivered (and not withdrawn) Consents prior to the Consent Expiration Date; and (ii) have been Holders as of the Record Date (such Holders described in (ii), “**Record Date Holders**”).

In order to deliver a Consent (as defined below), a Record Date Holder must either (i) contact Euroclear or Clearstream for participation procedures and deadlines regarding the submission of an authenticated SWIFT message, a Euclid server or Creation Online instruction (each an “**Electronic Consent Instruction**”) to authorize the delivery of a Consent for such Holder or (ii) request such Holder’s broker, dealer, bank, trust company or other nominee to effect the submission of an Electronic Consent Instruction to authorize the delivery of a Consent for such Holder. Record Date Holders whose Notes are held on their behalf by a broker, dealer, bank, trust company or other nominee must contact such entity if they desire to consent to the Consent Solicitation. The receipt of a Consent by the relevant Clearing System may be acknowledged in accordance with the standard practices of such Clearing System. In order to be valid, such Electronic Consent Instruction must be submitted in respect of a minimum nominal amount of Notes of €100,000 and integral multiples of €1,000 in excess thereof. The Consent by a Record Date Holder will, on acceptance of the Consent by the Issuer and verification to the Record Date Holders thereof, (i) constitute a binding agreement between such Holder and the Issuer in accordance with the terms, and subject to the conditions, set forth in this Statement and in the Electronic Consent Instruction, as the case may be and (ii) direct the Information and Tabulation Agent (as defined below) to vote to approve the Proposed Amendments (as defined below) at the relevant Bondholder Meeting.

A Record Date Holder may with respect to the Proposed Amendments:

- (i) direct the Information and Tabulation Agent to vote to approve the Proposed Amendments at the relevant Bondholder Meeting by delivering its Consent at or prior to the Consent Expiration Date in favor of the Proposed Amendments;
- (ii) (a) transmit, or arrange for the transmission of, an Electronic Attendance Notice through the applicable Clearing System to the Information and Tabulation Agent, which will collect the notices on behalf of the Issuer, notifying the Issuer of the Record Date Holder’s election to participate and vote (directly or through another representative) at the relevant Bondholder Meeting in lieu of delivering a Consent, and (b) vote (directly or through another representative) at the relevant Bondholder Meeting in any manner with respect to the Proposed Amendments; or
- (iii) abstain from attending the Bondholder Meeting or voting.

A Holder adhering to the Consent Solicitation may only give a Consent in respect of all the Proposals in accordance with this Statement. Accordingly, a Consent purporting to consent to only some of the Proposals will not be valid. If a Holder wishes to vote (directly or through another representative) at the Bondholder Meeting, the Holder must not submit a Consent to the Information and Tabulation Agent.

Record Date Holders wishing to validly deliver a Consent or Electronic Attendance Notice must arrange for the relevant Direct Participant to deliver a Consent or Electronic Attendance Notice through the procedures of the relevant Clearing System no later than the Consent Expiration Date. The Electronic Consent Instructions will include an authorization of Euroclear or Clearstream, as the case may be, to block the Notes for which Consents are delivered in the account of the Direct Participant so that no transfers may be effected in relation to such Notes at any time from and including the date on which the Record Date Holder submits its Electronic Consent

Instruction until the earlier of the Record Date and the date on which the Consent Solicitation is terminated. Trading of such deposited Notes for which a Consent has been delivered is not permitted until the Notes are released by the relevant Clearing System.

Unless validly revoked in accordance with the revocation procedures described in “Solicitation Procedures – Revocation of Consents,” Consents given in respect of the Initial Meeting shall remain valid for the Second Meeting.

In lieu of delivering a Consent, pursuant to Article 83-*sexies* of Italian Legislative Decree No. 58 of February 24, 1998, Record Date Holders wishing to participate and vote (directly or through another representative) at the Bondholder Meeting must transmit, if they are Direct Participants, or arrange for the relevant Direct Participant to transmit, a notice (an “**Electronic Attendance Notice**”) through the applicable Clearing System to the Information and Tabulation Agent, which will collect the notices on behalf of the Issuer, stating that such Holder is entitled to participate and vote at the Bondholder Meeting on the basis of the internal records of the applicable Clearing System as of the seventh trading day prior to the date of the Initial Meeting (the “**Record Date**”). Such Electronic Attendance Notice shall be delivered no fewer than three trading days prior to the date of the Initial Meeting. A Record Date Holder’s rights to participate and vote at the Bondholder Meeting shall not be affected if such Electronic Attendance Notice is received by the Issuer fewer than three trading days prior to the date of the Initial Meeting; provided that the Electronic Attendance Notice is received before the beginning of the Bondholder Meeting on any call. In any event, any person who becomes a Holder after the Record Date shall not be entitled to deliver a Consent or attend or vote at the Bondholder Meeting. An Electronic Attendance Notice and an Electronic Consent Instruction cannot be outstanding simultaneously in respect of the same Note. Accordingly, Record Date Holders who have delivered a Consent (and not validly withdrawn), will not be entitled to vote (directly or through another representative) at the Bondholder Meeting, and therefore, if you intend to vote (directly or through another representative) at the Bondholder Meeting, do not deliver a Consent. See “Solicitation Procedures.”

The Electronic Attendance Notice shall specify the following: (a) the Direct Participant’s identification data; (b) the identification data of the Holder, if different from the Direct Participant; (c) the date of submission of the request; (d) the quantity and description of the Notes in respect of which the submission is made; (e) the indication of the right to be exercised; (f) the date and type of meeting; (g) the term of validity of the notice; (h) the date to which the notice relates; (i) the date on which the notice is sent; and (j) the annual sequential issue number of the notice. The identification data referred to in clauses (a) and (b) of this paragraph shall include the name of the Record Date Holder and the representative attending the Bondholder Meeting on the Record Date Holder’s behalf (if any) and the identification card or passport number of such Record Date Holder or representative attending the Bondholder Meeting. The Record Date Holder or representative attending the Bondholder Meeting, as applicable, must bring to the Bondholder Meeting such person’s identification card and/or passport so that such person’s identity can be verified.

In the event the Proposals become effective and operative, all Holders will be bound by the terms of the Indenture as amended by the Supplemental Indenture (as defined below) giving effect to the Proposed Amendments (as defined below). Holders desiring to deliver their Consents should note that they must allow sufficient time for completion of the procedures of the relevant Clearing System during the normal business hours of such Clearing System. Consents not received by the Information and Tabulation Agent prior to the time and date indicated in this Statement will be disregarded and of no effect.

If the conditions described under “Solicitation Procedures – Consent General Conditions” have not been satisfied or waived, we shall terminate the Consent Solicitation and the delivered Consents will be of no further force or effect.

We reserve the right to: (i) amend (other than the terms of the Bondholder Resolutions (as defined below)), waive any condition of, or terminate, the Consent Solicitation at any time (subject to the terms and conditions of this Statement); and (ii) withdraw any or all of the Proposals at any time before the Consent Expiration Date, in each case as described under “Solicitation Procedures — Consent Expiration Date; Amendment.” In the event that any of the Proposals is withdrawn, the Bondholder Meeting may still be held, but we will be under no obligation to give effect to the Consents delivered with respect to the withdrawn Proposal. We will notify the Holders, in accordance with the provisions of Italian law, of the withdrawal of any Proposal. See “Solicitation Procedures.”

Each Consent will be binding on the consenting Holder upon receipt by Euroclear or Clearstream of a valid Electronic Consent Instruction in respect of all matters, except that a consenting Holder may validly revoke its Consent by following the revocation procedures described herein. See “Solicitation Procedures – Revocation of Consents.” For the avoidance of doubt, any such acknowledgment does not constitute an acceptance of the Consent by or on behalf of the Issuer.

Under no circumstances shall this Statement constitute an offer to sell or issue, or the solicitation of an offer to buy or subscribe for, the Notes in any jurisdiction. The Consent Solicitation shall not give rise to or require a prospectus in any EEA member state or the United Kingdom pursuant to Regulation (EU) 2017/1129, as amended from time to time, or Regulation (EU) 2017/1129 as it forms part of domestic law by virtue of the European Union (Withdrawal) Act 2018, respectively.

This Statement does not constitute a solicitation of Consents in any jurisdiction in which, or to or from any person to or from whom, it is unlawful to make such solicitation under applicable laws. The delivery of this Statement shall not under any circumstances create any implication that the information contained herein is correct as of any time subsequent to the date hereof or that there has been no change in the information set forth herein or in any attachments hereto or in our affairs or any of our affiliates since the date hereof.

No person has been authorized to give any information or to make any representation not contained in this Statement (other than any information provided by the Information and Tabulation Agent, as expressly described herein) and, if given or made, such information or representation may not be relied upon as having been authorized by us or GLAS Trustees Limited (the “**Trustee**”).

Within the United Kingdom, the Consent Solicitation is directed only at persons who (i) have professional experience in matters relating to investments (being investment professionals falling within Article 19(5) of the Financial Services and Markets Act 2000 (Financial Promotion) Order 2005 (as amended, the “Financial Promotion Order”)), (ii) are persons falling within Article 49(2)(a) to (d) (“high net worth companies, unincorporated associations, etc.”) of the Financial Promotion Order, (iii) are outside the United Kingdom or (iv) are persons to whom an invitation or inducement to engage in investment activity (within the meaning of section 21 of the Financial Services and Markets Act 2000) in connection with the issue or sale of any securities may otherwise lawfully be communicated or caused to be communicated (all such persons together being referred to as “relevant persons”). This Consent Solicitation Statement is directed only at relevant persons and must not be acted on or relied on by persons who are not relevant persons.

This Statement has not been approved or disapproved by the U.S. Securities and Exchange Commission (the “**SEC**”) or any state securities commission, nor has the SEC or any state securities commission passed upon the fairness or merits of such transaction nor upon the accuracy or adequacy of the information contained in this Statement. Any representation to the contrary is unlawful.

To the fullest extent permitted by law, the Trustee accepts no responsibility for the contents of this Statement or for any other statement, made or purported to be made on its behalf, in connection with us or the Consent Solicitation. The Trustee accordingly disclaims all and any liability whether arising in tort or contract or otherwise (save as referred to above) which it might otherwise have in respect of this Statement or any such statement.

The Trustee has not independently verified, and makes no representation or warranty, express or implied, nor assumes any responsibility as to, the accuracy or adequacy of the information contained herein or any document prepared in connection with it or the Consent Solicitation or for any failure by the Issuer to disclose events or circumstances which may have occurred or may affect the significance or accuracy of any such information.

Immediately following the passing of the Bondholder Resolutions at the Bondholder Meeting, and upon receipt of the required documentation in form and substance satisfactory to the Trustee, the Issuer, the Guarantors and the Trustee will execute a supplemental indenture (the “**Supplemental Indenture**”) to the Indenture implementing the Proposed Amendments. Following (i) the receipt of the Requisite Consents, (ii) the passing of the Bondholder Resolutions at the Bondholder Meeting, (iii) the approval of the Proposed Amendments by the board of directors of the Issuer, and (iv) the execution and delivery of the Supplemental Indenture by the Issuer, the Guarantors and the Trustee, the Supplemental Indenture will become effective and binding on the Holders of Notes and their successors and transferees on the Effective Date (as defined below), and the Proposed Amendments contained therein will become operative on the Operative Date (as defined below) upon registration of the Bondholder Resolutions with the Register of Companies (*Registro delle Imprese*) of Bologna, Italy. If

Holders representing at least a majority in aggregate principal amount of the Notes then outstanding validly deliver Consents in accordance with this Statement (the “Requisite Consents”), the Proposed Amendments shall be effective, operative and binding on all Holders of Notes and their transferees on the Operative Date whether or not such Holders consented to the Proposed Amendments.

In accordance with normal and accepted practice, the Trustee expresses no opinion as to the merits of the Consent Solicitation and Proposals. Accordingly, the Trustee urges Holders who are in doubt as to the meaning of the Proposals in connection with the Consent Solicitation (including any tax consequences) to seek their own independent advice. The Trustee has not made and will not make any assessment of the merits of any Consent Solicitation or of the impact of any Consent Solicitation on the interests of the Holders either as a class or as individuals. The entry into the Supplemental Indenture will not require the Trustee to, and the Trustee will not, consider the interests of the Holders either as a class or as individuals. The Trustee has not been involved in discussions in the Consent Solicitation or in formulating the Consent Solicitation and makes no representation that all information has been disclosed to Holders in this Statement. The Trustee will assess any direction it is given hereunder in accordance with its rights and duties under the Indenture. Accordingly, Holders who are in any doubt as to the impact of the Consent Solicitation or of the implementation of the Proposals should seek their own independent professional advice.

NONE OF THE ISSUER OR THE GUARANTORS OR THEIR RESPECTIVE AFFILIATES, THE TRUSTEE OR THE INFORMATION AND TABULATION AGENT MAKES ANY RECOMMENDATION AS TO WHETHER OR NOT HOLDERS SHOULD PROVIDE CONSENTS TO THE PROPOSALS. EACH HOLDER MUST MAKE HIS, HER OR ITS OWN DECISION AS TO WHETHER TO DELIVER CONSENTS. HOLDERS ARE URGED TO EVALUATE CAREFULLY ALL OF THE INFORMATION IN THIS STATEMENT AND TO CONSULT THEIR INVESTMENT AND TAX ADVISORS IN MAKING THEIR DECISION AS TO WHETHER TO DELIVER CONSENTS.

The Bondholders Meeting will take place on May 20, 2021 at 10:00 a.m. London time (11:00 Central European Summer Time) on first call (the “**Initial Meeting**”) and, if necessary, on second call on May 21, 2021 at the same time and location and through the same means on second call (the “**Second Meeting**”) and, together with the Initial Meeting, the “**Bondholder Meetings**”), in any event to resolve upon the following agenda:

Item on the agenda:

“Approval of a supplemental indenture amending paragraph (a) of the section 10.01 of the Indenture and any resolution inherent and consequent thereto ”

The Bondholder Meetings have been convened to approve the Proposed Amendments by means of bondholder resolutions (the “**Bondholder Resolutions**”).

Record Date Holders must validly deliver the Requisite Consents to approve the Proposals. If the Requisite Consents are validly delivered, the Information and Tabulation Agent shall, on behalf of the Record Date Holders whose votes have approved the Proposed Amendments, vote at the Bondholder Meeting to approve the Proposed Amendments. Immediately following the passing of the Bondholder Resolutions at the Bondholder Meeting, and upon receipt of the required documentation in form and substance satisfactory to the Trustee, the Issuer, the Guarantors and the Trustee will execute the Supplemental Indenture implementing the Proposed Amendments. Following (i) the receipt of the Requisite Consents, (ii) the passing of the Bondholder Resolutions at the Bondholder Meeting, (iii) the approval of the Proposed Amendments by the board of directors of the Issuer, and (iv) the execution and delivery of the Supplemental Indenture by the Issuer, the Guarantors and the Trustee, the Supplemental Indenture will become effective and binding on all Holders of Notes and their successors and transferees whether or not such Holders consented to the Proposed Amendments (such date, the “**Effective Date**”). The Proposed Amendments contained in the Supplemental Indenture will become operative upon registration of the Bondholder Resolutions with the Register of Companies (*Registro delle Imprese*) of Bologna, Italy (such date, the “**Operative Date**”).

If the conditions described under “Solicitation Procedures – Consent General Conditions” have been satisfied or waived, the Proposals will be effective, operative and binding on the Holders of Notes on the Operative Date, irrespective of whether such Holders consented to or voted against the Proposals.

Holders of Notes are requested to read and carefully consider the information contained herein and Record Date Holders must either (i) contact Euroclear or Clearstream for participation procedures and deadlines regarding the submission of an Electronic Consent Instruction to authorize the delivery of a Consent for such Holder or (ii) request such Holder’s broker, dealer, bank, trust company or other nominee to effect the submission of an Electronic Consent Instruction to authorize the delivery of a Consent for such Holder. Record Date Holders whose Notes are held on their behalf by a broker, dealer, bank, trust company or other nominee must contact such entity if they desire to consent to the Consent Solicitation via an Electronic Consent Instruction. The receipt of a Consent by the relevant Clearing System may be acknowledged in accordance with the standard practices of such Clearing System.

Consents must be received pursuant to the procedures of the Clearing Systems. The delivery of Consents and any other required documents pursuant to the procedures of the Clearing Systems is at the election and risk of the Holder and, except as otherwise provided in this Statement, delivery of Electronic Consent Instructions will be deemed made only when acknowledged in accordance with the standard practices of the relevant Clearing System. Full instructions for completing and returning the Consents are included in this Statement at “Solicitation Procedures – How to Consent.”

Record Date Holders desiring to deliver their Consent via an Electronic Consent Instruction prior to the Consent Expiration Date should note that they must allow sufficient time for completion of the procedures of the relevant Clearing System during the normal business hours of such Clearing System on such date. A Consent not received by the Information and Tabulation Agent prior to the Consent Expiration Date will be disregarded and of no effect.

Following (i) the receipt of the Requisite Consents, (ii) the passing of the Bondholder Resolutions at the Bondholder Meeting, (iii) the approval of the Proposed Amendments by the board of directors of the Issuer, and (iv) the execution and delivery of the Supplemental Indenture by the Issuer, the Guarantors and the Trustee, the Supplemental Indenture will become effective and binding on the Holders of Notes and their successors and transferees, whether or not such Holders consented to the Proposed Amendments (such date, the “**Effective Date**”). The Proposed Amendments contained therein will become operative on the Operative Date upon the registration of the Bondholder Resolutions with the Register of Companies (*Registro delle Imprese*) of Bologna, Italy.

The Proposals, if they become effective and operative, will be applicable and binding with respect to all Holders of Notes and their transferees on the Operative Date, whether or not such Holders consented to the Proposals.

We reserve the right to: (i) amend, waive any condition of, or terminate, the Consent Solicitation at any time (subject to the terms and conditions of this Statement); and (ii) withdraw any or all of the Proposals at any time before the Consent Expiration Date, in each case as described under “Solicitation Procedures — Consent Expiration Date; Amendment.” In the event that any of the Proposals is withdrawn, the Bondholder Meeting may still be held, but we will be under no obligation to give effect to the Consents delivered with respect to the withdrawn Proposal. We will notify the Holders, in accordance with the provisions of Italian law, of the withdrawal of any part of the Proposal. See “Solicitation Procedures.”

Record Date Holders wishing to validly deliver a Consent or Electronic Attendance Notice must arrange for the relevant Direct Participant to deliver a Consent or Electronic Attendance Notice through the procedures of the relevant Clearing System no later than the Consent Expiration Date. Any Electronic Consent Instruction must include an authorization of Euroclear or Clearstream, as the case may be, to block the Notes for which Consents are delivered in the account of the Direct Participant so that no transfers may be effected in relation to such Notes at any time from and including the date on which the Record Date Holder submits its Electronic Consent Instruction until the earlier of the Record Date and the date on which the Consent Solicitation is terminated. Trading of such deposited Notes for which a Consent has been delivered is not permitted until the Notes are released by the relevant Clearing System.

Unless validly revoked in accordance with the revocation procedures described in “Solicitation Procedures – Revocation of Consents,” Consents given in respect of the Initial Meeting shall remain valid for the Second Meeting.

In lieu of delivering a Consent, pursuant to Article 83-*sexies* of Italian Legislative Decree No. 58 of February 24, 1998, Record Date Holders wishing to participate and vote (directly or through another representative) at the Bondholder Meeting must transmit, if they are Direct Participants, or arrange for the relevant Direct Participant to transmit, an Electronic Attendance Notice through the applicable Clearing System to the Information and Tabulation Agent, which will collect the notices on behalf of the Issuer, stating that such Holder is entitled to participate and vote at the Bondholder Meeting on the basis of the internal records of the applicable Clearing System as of the Record Date. Such Electronic Attendance Notice shall be delivered no fewer than three trading days prior to the date of the Initial Meeting. A Record Date Holder’s rights to participate and vote at the Bondholder Meeting shall not be affected if such Electronic Attendance Notice is received by the Issuer fewer than three trading days prior to the date of the Initial Meeting; provided that the Electronic Attendance Notice is received before the beginning of the Bondholder Meeting on any call. In any event, any person who becomes a Holder after the Record Date shall not be entitled to deliver a Consent or attend or vote at the Bondholder Meeting. An Electronic Attendance Notice and an Electronic Consent Instruction cannot be outstanding simultaneously in respect of the same Note. Accordingly, Record Date Holders who have delivered a Consent (and not validly withdrawn), will not be entitled to vote (directly or through another representative) at the Bondholder Meeting, and therefore, if you intend to vote (directly or through another representative) at the Bondholder Meeting, do not deliver a Consent. See “Solicitation Procedures.”

The Electronic Attendance Notice shall specify the following: (a) the Direct Participant’s identification data; (b) the identification data of the Holder, if different from the Direct Participant; (c) the date of submission

of the request; (d) the quantity and description of the Notes in respect of which the submission is made; (e) the indication of the right to be exercised; (f) the date and type of meeting; (g) the term of validity of the notice; (h) the date to which the notice relates; (i) the date on which the notice is sent; and (j) the annual sequential issue number of the notice. DESCRIPTION OF THE PROPOSALS

General

By delivering a Consent to the Proposed Amendments, such consenting Holder will be deemed to have authorized, directed and requested that, upon receipt of the Requisite Consents, (i) the Information and Tabulation Agent, on behalf of the Record Date Holder, vote at the Bondholder Meeting in favor of the Proposed Amendments in accordance with the consent obtained by this Consent Solicitation, and (ii) immediately following the passing of the Bondholder Resolutions at the Bondholder Meeting, the Trustee enter into the Supplemental Indenture.

Background for the Proposed Amendments

The Issuer initiated the *procedura di concordato preventivo con riserva* with the filing of the *ricorso* to the *Tribunale Civile di Bologna, Sezione Fallimentare* (“**Court of Bologna**”) on May 21, 2020, pursuant to article 161, sixth paragraph, of the Italian Royal Decree No. 267 of 16 March 1942, as amended and supplemented from time to time (the “**Italian Insolvency Law**”). On December 18, 2020, the Issuer filed a composition plan (*piano concordatario*, the “**Plan**”) with the Court of Bologna pursuant to article 161, second and third paragraphs, of the Italian Insolvency Law (the “*concordato preventivo*” procedure).

The Issuer is seeking consents to the Proposed Amendments to facilitate its restructuring and re-launch through the *concordato preventivo* procedure. As of May 3, 2021, being the latest practicable date prior to the publication of this Consent Solicitation, Holders representing approximately 54% in aggregate principal amount of the Notes outstanding (the “**Ad Hoc Group**”) have agreed with the Issuer to consent to the Proposals, including, without limitation, approval of any resolution to approve the Proposed Amendments at the duly convened Bondholder Meeting. The consents of the Ad Hoc Group will provide all necessary consents of Holders of Notes required to approve the Proposed Amendments.

Section 10.01(a) of the Indenture provides that each of the Guarantors jointly and severally guarantees to each Holder of a Note that “the principal of, Additional Amounts and premium, if any, and interest on, the Notes will be promptly paid in full when due, whether at maturity, by acceleration, redemption or otherwise”. In addition, Section 10.01(a) of the Indenture provides, “Failing payment when due of any amount so guaranteed or any performance so guaranteed for whatever reason, the Guarantors will be jointly and severally obligated to pay the same immediately.”

The Notes will mature on June 1, 2021 (“**Maturity Date**”) and if the Issuer is not able to repay the outstanding €190.0 million aggregate principal amount of the Notes that will become due at maturity, each of the Guarantors will be liable to pay the outstanding principal amount of the Notes. If given effect, the Proposed Amendments would amend the Note Guarantees to become due and payable on demand, which demand may be issued only by the Trustee upon instructions by Holders of not less than a majority in aggregate principal amount of the Notes then outstanding. The Proposed Amendment would align the rights of the Holders in a manner consistent with the debt restructuring desired to be achieved through the *concordato preventivo* procedure.

Any amounts that have become due and payable under the Note Guarantees prior to the Maturity Date, including the interest payments on the Notes due and payable on December 1, 2019, June 1, 2020 and December 1, 2020 (the “**Outstanding Interest Amounts**”), will be unaffected by the Proposed Amendments and will remain due and payable regardless of the Proposed Amendments becoming effective and operative.

If the Proposed Amendments become effective and operative, while the *concordato preventivo* procedure is progressing, members of the Ad Hoc Group have indicated that they will agree to forbear from exercising their rights as Holders in respect of the Outstanding Interest Amounts, rescind any declaration of acceleration under the Notes Indenture as a result of the Outstanding Interest Amounts and refrain from issuing a demand on the Note Guarantees.

The Proposed Amendments will not impair or affect the legal right of any Holder to receive payment of principal of, interest and premium, Additional Amounts, if any, on the Note, on or after the respective due dates expressed in the Note or bring proceedings for the enforcement of any such payment on or after such respective dates.

The Proposed Amendments

The terms of the Proposed Amendments are as follows:

Section 10.01(a) of the Indenture shall be amended to read as follows:

(a) Subject to this Article 10, each of the Guarantors hereby, jointly and severally, unconditionally guarantees to each Holder of a Note authenticated and delivered by the Trustee and to the Trustee and its successors and assigns, irrespective of the validity and enforceability of this Indenture, the Notes or the obligations of the Issuer hereunder or thereunder, that:

(i) the principal of, Additional Amounts and premium, if any, and interest on, the Notes will be promptly paid in full when due, whether at maturity, by acceleration, redemption or otherwise, and interest on the overdue principal of and interest, Additional Amounts and premium, if any, on the Notes (to the extent permitted by law) and all other obligations of the Issuer to the Holders or the Trustee hereunder or thereunder will be promptly paid in full or performed, all in accordance with the terms hereof and thereof; and

(ii) in case of any extension of time of payment or renewal of any Notes or any of such other obligations, that same will be promptly paid in full when due or performed in accordance with the terms of the extension or renewal, whether at Stated Maturity, by acceleration or otherwise.

Failing payment when due of any amount so guaranteed or any performance so guaranteed for whatever reason, the Guarantors will be jointly and severally obligated to pay the same upon demand by the Trustee issued to the Issuer or the relevant Guarantor upon the written request of Holders of not less than a majority in aggregate principal amount of the Notes then outstanding; *provided* that any amounts that have become due pursuant to the Indenture prior to June 1, 2021, including the interest payments on the Notes that became due on December 1, 2019, June 1, 2020 and December 1, 2020, shall remain due and payable without demand by the Trustee. Each Guarantor agrees that this is a guarantee of payment and not a guarantee of collection.

Maccaferri de Mexico, S.A. de C.V. (the "*Mexican Guarantor*"), hereby irrevocably waives, to the fullest extent permitted by applicable law, the benefits of *orden, excusión, división, quita, prórroga* and *espera* and all other rights and benefits provided for under Articles 2813, 2814, 2815, 2816, 2817, 2818, 2819, 2820, 2821, 2822, 2823, 2824, 2826, 2827, 2836, 2838, 2839, 2840, 2842, 2844, 2845, 2846, 2847, 2848, 2849 and other related articles of the Federal Civil Code (*Código Civil Federal*) of Mexico, and the corresponding provisions of the Civil Codes of any State of Mexico and the Federal District of Mexico.

Each of Maccaferri do Brasil Ltda. and BMD Têxteis Ltda. (the "*Brazilian Guarantors*") hereby irrevocably waives all benefits set forth in articles 333, sole paragraph, 364, 366, 368, 821, 827, 829, sole paragraph, 830, 834, 835, 837, 838 and 839 of Law No. 10,406, dated January 10, 2002, as amended (the *Brazilian Civil Code*) and articles 77 and 595 of Law No. 5,869, dated January 11, 1973, as amended (the *Brazilian Code of Civil Procedure*).

POTENTIAL RISK FACTORS IN CONNECTION WITH THE CONSENT SOLICITATION

If we receive the Requisite Consents and the Proposals become effective, all Holders, including Holders who do not approve the Proposals, will be bound by the Supplemental Indenture

Provided the Requisite Consents are received and the Bondholder Resolutions are passed at the Bondholder Meeting, a Supplemental Indenture will be executed by the Issuer, the Guarantors and the Trustee immediately following the passing of the Bondholder Resolutions at the Bondholder Meeting. Following (i) the receipt of the Requisite Consents, (ii) the passing of the Bondholder Resolutions at the Bondholder Meeting, (iii) the approval of the Proposed Amendments by the board of directors of the Issuer, and (iv) the execution and delivery of the Supplemental Indenture by the Issuer, the Guarantors and the Trustee, the Supplemental Indenture will become effective and binding on the Holders of Notes and their successors and transferees on the Effective Date, whether or not such Holders consented to the Proposed Amendments, and the Proposed Amendments contained therein will become operative upon the registration of the Bondholder Resolutions with the Register of Companies (*Registro delle Imprese*) of Bologna, Italy.

Electronic Consent Instructions and Notices of Consent are validly revocable only by following the revocation procedures described herein

Delivery of an Electronic Consent Instruction through the procedures of the Clearing Systems will be validly revocable by following the revocation procedures described herein. See “Solicitation Procedures – Revocation of Consents.” You should carefully inform yourself of the considerations relevant to the Consent Solicitation prior to consenting to the Proposals pursuant to the Consent Solicitation.

If a Holder wishes to vote at the Bondholder Meeting, the Holder must not submit a Consent to the Information and Tabulation Agent

A Holder adhering to the Consent Solicitation may give a Consent in respect of all Proposals in accordance with this Statement. Accordingly, a Consent purporting to consent to only some of the Proposals will not be valid. If a Holder wishes to vote (directly or through another representative) at the Bondholder Meeting, the Holder must not submit a Consent to the Information and Tabulation Agent.

There can be no assurance that the conditions to the Consent Solicitation will be satisfied or waived

The successful consummation of the Consent Solicitation is subject to the satisfaction or waiver by us of certain conditions. There can be no assurance that such conditions will be satisfied or waived. If those conditions are not satisfied or waived, the Consent Solicitation will not be consummated.

If the Requisite Consents are received, the Holders may be subject to the Proposed Amendments on the Operative Date

If the Requisite Consents are received at or prior to the Consent Expiration Date, the Bondholder Resolutions will be passed and the Proposed Amendments approved. Following (i) the receipt of the Requisite Consents, (ii) the passing of the Bondholder Resolutions at the Bondholder Meeting, (iii) the approval of the Proposed Amendments by the board of directors of the Issuer, and (iv) the execution and delivery of the Supplemental Indenture by the Issuer, the Guarantors and the Trustee, the Supplemental Indenture will become effective and binding on the Holders of Notes and their successors and transferees on the Effective Date, whether or not such Holders consented to the Proposed Amendments, and the Proposed Amendments contained therein will become operative upon the registration of the Bondholder Resolutions with the Register of Companies (*Registro delle Imprese*) of Bologna, Italy.

Holders are responsible for assessing the merits of the Consent Solicitation

Each Holder is responsible for assessing the merits of the Consent Solicitation. None of the Issuer, the Guarantors, the Information and Tabulation Agent, the Trustee or any of their respective directors, officers, employees, agents or affiliates has made or will make any assessment of the merits of the Consent Solicitation or of the impact of the Consent Solicitation on the interests of the Holders either as a class or as individuals or makes any recommendation as to whether a Holder should consent to the Proposals.

Notes for which a Consent is delivered will be blocked from trading until the earlier of the Record Date and the date on which the Consent Solicitation is terminated

Notes for which a Consent has been delivered at or prior to the Consent Expiration Date will be blocked from trading during the period beginning at the time the Consent is validly delivered and ending on the earlier of the Record Date and the date on which the Consent Solicitation is terminated. During the period that Notes are blocked, such Notes will not be freely transferable to third parties.

In the period of time during which Notes are blocked pursuant to the foregoing procedures for delivering a Consent, Holders may be unable to promptly liquidate their Notes or timely react to adverse trading conditions and could suffer losses as a result of these restrictions on transferability.

It is the sole responsibility of the Holder to comply with the procedures for participating in the Consent Solicitation

Holders are responsible for complying with all of the procedures for participating in the Consent Solicitation. None of the Issuer, the Guarantors, the Information and Tabulation Agent or the Trustee assumes any responsibility for informing Holders of irregularities with respect to compliance with such procedures.

Holders are advised to check with any Clearing System, bank, securities broker, Direct Participant or other intermediary through which they hold Notes when such clearing system or intermediary would need to receive instructions from a Holder in order for that Holder to be able to participate in the Consent Solicitation by the deadlines specified in this Statement.

In relation to making arrangements for the giving of voting instructions, in each case through the procedures of the Clearing Systems, Holders should note the particular practice and policy of the relevant Clearing System, including any earlier deadlines set by such Clearing System.

Nevertheless, the provisions of this Statement are without prejudice to the rights of the Holders of Notes under the Indenture and the Italian Civil Code. Accordingly, notwithstanding the Consent Expiration Date, Record Date Holders may participate and vote at the Bondholder Meeting, provided that they have not delivered a Consent and follow the procedures set out herein. An Electronic Attendance Notice and an Electronic Consent Instruction cannot be outstanding simultaneously in respect of the same Note. Accordingly, Record Date Holders who have delivered a Consent (and not validly withdrawn), will not be entitled to vote (directly or through another representative) at the Bondholder Meeting, therefore, if you intend to vote at the Bondholder Meeting, do not deliver a Consent.

This Statement does not discuss the tax consequences to Holders of the Consent Solicitation

This Statement does not discuss the tax consequences to Holders of the Consent Solicitation. Holders are urged to consult their own professional advisers regarding these possible tax consequences under the laws of the jurisdictions that apply to them. Holders are liable for their own taxes and have no recourse to the Issuer, the Trustee or the Information and Tabulation Agent with respect to taxes arising in connection with the Consent Solicitation.

Holders are responsible for consulting with their advisors

Holders should consult their own tax, accounting, financial and legal advisors regarding the suitability for themselves of the tax, accounting, financial, regulatory, legal or other consequences of participating or refraining to participate in the Consent Solicitation.

None of the Issuer, the Guarantors, the Trustee, the Information and Tabulation Agent, or any director, officer, employee, agent or affiliate of any such person, is acting for any Holder, or will be responsible to any Holder for providing any protections which would be afforded to its clients or for providing advice in relation to the Consent Solicitation, and accordingly none of the Issuer, the Guarantors, the Trustee, or the Information and Tabulation Agent, or any director, officer, employee, agent or affiliate of any such person, makes any recommendation as to whether Holders should consent to the Proposals.

If passed, the Bondholder Resolutions shall be binding on all Holders, whether present or not at the relevant Bondholder Meeting at which it is passed and whether voting or not.

How to Consent

In order to deliver a Consent, a Record Date Holder must either (i) contact Euroclear or Clearstream for participation procedures and deadlines regarding the submission of an Electronic Consent Instruction to authorize the delivery of a Consent for such Holder or (ii) request such Holder's broker, dealer, bank, trust company or other nominee to effect the submission of an Electronic Consent Instruction to authorize the delivery of a Consent for such Holder. A Record Date Holder wishing to participate in the Consent Solicitation must effect the submission of its Electronic Consent Instruction through the procedures of the relevant Clearing System at or prior to the Consent Expiration Date. The receipt of a Consent by the relevant Clearing System may be acknowledged in accordance with the standard practices of such Clearing System. Delivery of an acknowledgment by a Clearing System will satisfy the terms of the Consent Solicitation as to execution and delivery of a Consent by such Direct Participant.

Unless validly revoked in accordance with the revocation procedures described in "Solicitation Procedures – Revocation of Consents," Consents given in respect of the Initial Meeting shall remain valid for the Second Meeting.

The Record Date Holder or its Direct Participant must clearly state in the Electronic Consent Instruction: (i) the aggregate principal amount of Notes with respect to which the Record Date Holder wishes to deliver a Consent, (ii) the name of the Direct Participant, if any, and the securities account number for Euroclear or Clearstream in which the Notes are held and (iii) the name of the beneficial holder.

Record Date Holders who wish to provide a Consent via Electronic Consent Instruction and whose Notes are held on their behalf by a broker, dealer, bank, trust company or other nominee must contact such entity if they desire to consent to the Consent Solicitation. For the avoidance of doubt, only Direct Participants can submit an Electronic Consent Instruction. The Information and Tabulation Agent will not accept Consents delivered by beneficial owners directly to the Information and Tabulation Agent. Please contact your Direct Participant for more information regarding any procedures or rules applicable to and/or imposed by your Direct Participant.

Consents will expire if the Requisite Consents have not been received at or prior to the Initial Meeting Date or the Second Meeting Date, as applicable.

The delivery of Consents and any other required documents pursuant to the procedures of the Clearing Systems is at the election and risk of the Holder and, except as otherwise provided in this Statement, delivery will be deemed made only when acknowledged in accordance with the standard practices of the relevant Clearing System. Record Date Holders desiring to deliver their Consent prior to the Consent Expiration Date should note that they must allow sufficient time for completion of the procedures of the relevant Clearing System during the normal business hours of such Clearing System on such date. An Electronic Consent Instruction not received by the Information and Tabulation Agent at or prior to the Consent Expiration Date will be disregarded and of no effect.

The Consent by a Record Date Holder will, on acceptance of the Consent by the Issuer and verification to the Holders thereof, (i) constitute a binding agreement between such Holder and the Issuer in accordance with the terms, and subject to the conditions, set forth in this Statement and in the Electronic Consent Instruction, as the case may be and (ii) direct the Information and Tabulation Agent to vote to approve the Proposed Amendments at the relevant Bondholder Meeting. Such Consent will be binding on the consenting Holder upon receipt by Euroclear or Clearstream of a valid Electronic Consent Instruction in respect of all matters, except that a consenting Holder may validly revoke its Consent by following the revocation procedures described herein. See "Solicitation Procedures – Revocation of Consents."

A Holder adhering to the Consent Solicitation may only give a Consent in respect of all Proposals in accordance with this Statement. Accordingly, a Consent purporting to consent to only some of the Proposals will not be valid. If a Holder wishes to vote (directly or through another representative) at the Bondholder Meeting, the Holder must not submit a Consent with respect to the Proposed Amendments to the Information and Tabulation Agent.

The deadlines imposed by each of Euroclear and Clearstream for the submission of Electronic Consent Instructions will be earlier than the relevant deadlines specified in this Statement.

No consent form or letter of transmittal needs to be executed in relation to the Consent Solicitation or the Consents delivered through Euroclear or Clearstream. The submission of an Electronic Consent Instruction in the name provided in this Statement shall constitute written consent to the Consent Solicitation.

Failure to validly deliver a Consent at or prior to the Consent Expiration Date and to vote (directly or through another representative) at the Bondholder Meeting will have the same effect as if a Record Date Holder had not voted (directly or through another representative) on the Proposed Amendments at the Bondholder Meeting.

In lieu of delivering a Consent, pursuant to Article 83-*sexies* of Italian Legislative Decree No. 58 of February 24, 1998, Record Date Holders wishing to participate and vote (directly or through another representative) at the Bondholder Meeting must transmit, if they are Direct Participants, or arrange for the relevant Direct Participant to transmit, an Electronic Attendance Notice through the applicable Clearing System to the Information and Tabulation Agent, which will collect the notices on behalf of the Issuer, stating that such Holder is entitled to participate and vote at the Bondholder Meeting on the basis of the internal records of the applicable Clearing System as of the Record Date. Such Electronic Attendance Notice shall be delivered no fewer than three trading days prior to the date of the Initial Meeting. A Record Date Holder's rights to participate and vote at the Bondholder Meeting shall not be affected if such Electronic Attendance Notice is received by the Issuer fewer than three trading days prior to the date of the Initial Meeting; provided that the Electronic Attendance Notice is received before the beginning of the Bondholder Meeting on any call. In any event, any person who becomes a Holder after the Record Date shall not be entitled to deliver a Consent or attend or vote at the Bondholder Meeting. An Electronic Attendance Notice and an Electronic Consent Instruction cannot be outstanding simultaneously in respect of the same Note. Accordingly, Record Date Holders who have delivered a Consent (and not validly withdrawn), will not be entitled to vote (directly or through another representative) at the Bondholder Meeting, and therefore, if you intend to vote (directly or through another representative) at the Bondholder Meeting, do not deliver a Consent.

The Electronic Attendance Notice shall specify the following: (a) the Direct Participant's identification data; (b) the identification data of the Holder, if different from the Direct Participant; (c) the date of submission of the request; (d) the quantity and description of the Notes in respect of which the submission is made; (e) the indication of the right to be exercised; (f) the date and type of meeting; (g) the term of validity of the notice; (h) the date to which the notice relates; (i) the date on which the notice is sent; and (j) the annual sequential issue number of the notice. The identification data referred to in clauses (a) and (b) of this paragraph shall include the name of the Record Date Holder and the representative attending the Bondholder Meeting on the Record Date Holder's behalf (if any) and the identification card or passport number of such Record Date Holder or representative attending the Bondholder Meeting. The Record Date Holder or representative attending the Bondholder Meeting, as applicable, must bring to the Bondholder Meeting such person's identification card and/or passport so that such person's identity can be verified.

Blocking of the Notes

The Electronic Consent Instructions will include an authorization of Euroclear or Clearstream, as the case may be, to block the Notes for which Consents are delivered in the account of the Direct Participant so that no transfers may be effected in relation to such Notes at any time from and including the date on which the Record Date Holder submits its Electronic Consent Instruction until the earlier of the Record Date and the date on which the Consent Solicitation is terminated. Trading of such deposited Notes for which a Consent has been delivered is not permitted until the Notes are released by the relevant Clearing System. In the event of the termination by us of the Consent Solicitation, the Notes as to which Consents were delivered will be released as promptly as practicable.

Determination of Validity

All questions as to the validity, form, eligibility (including time of receipt) and acceptance of any delivered Consent pursuant to any of the procedures described above shall be determined by us, in our sole discretion (which determination shall be final and binding). We reserve the absolute right to reject any or all deliveries of any Consent determined by us not to be in proper form or the acceptance of which would, in our opinion, be unlawful. We also reserve the absolute right, in our sole discretion, to waive any defect or irregularity as to any delivery of any Consent of any particular Holder, whether or not similar defects or irregularities are waived in the case of other Holders. Our interpretation of the terms and conditions of the Consent Solicitation, including the instructions to the Consent, shall be final and binding. Any defect or irregularity in connection with deliveries of Consents must be cured within such time as we determine, unless waived by us. Deliveries of

Consents shall not be deemed to have been made until all defects and irregularities have been waived by us or cured. None of the Issuer, the Guarantors, the Trustee, the Information and Tabulation Agent, or any other person shall be under any duty to give notification to any Holder of any defects or irregularities in deliveries of Consents or shall incur any liability for failure to give any such notification.

Consent Expiration Date; Amendment

The Consent Expiration Date shall occur at 4:00 p.m., London time (17:00 Central European Summer Time), on May 17, 2021, unless earlier terminated by us.

We reserve the right, subject to receiving the affirmative consent of the Ad Hoc Group, to: (i) amend (other than the terms of the Bondholder Resolutions), waive any condition of, or terminate, the Consent Solicitation at any time (subject to the terms and conditions of this Statement); and (ii) withdraw any or all of the Proposals at any time before the Consent Expiration Date. In the event that any of the Proposals is withdrawn, the Bondholder Meeting may still be held, but we will be under no obligation to give effect to the Consents delivered with respect to the withdrawn Proposal.

If the Consent Solicitation or this Statement is amended prior to the Consent Expiration Date in a manner determined by us, in our sole discretion, to constitute a material change to the terms of the Consent Solicitation, we will promptly disseminate additional Consent Solicitation materials.

All such announcements on amendments will also be available via the Consent Website.

Without limiting the manner in which we may choose to make any announcement of any amendment or termination of the Consent Solicitation, we shall have no obligation to publish, advertise, or otherwise communicate any such announcement, other than by complying with any applicable notice provisions of the Indenture, the Italian Civil Code and the applicable rules of the Irish Stock Exchange and Italian Stock Exchange (*Borsa Italiana*).

Operative Date of the Supplemental Indenture; Registration of the Bondholder Resolutions

Provided the Requisite Consents are received and the Bondholder Resolutions are passed at the Bondholder Meeting, a Supplemental Indenture reflecting the Proposed Amendments will be executed by the Issuer, the Guarantors and the Trustee immediately following the passing of the Bondholder Resolutions at the Bondholder Meeting. Following (i) the receipt of the Requisite Consents, (ii) the passing of the Bondholder Resolutions at the Bondholder Meeting, (iii) the approval of the Proposed Amendments by the board of directors of the Issuer, and (iv) the execution and delivery of the Supplemental Indenture by the Issuer, the Guarantors and the Trustee, the Supplemental Indenture will become effective and binding on the Holders of Notes and their successors and transferees on the Effective Date, whether or not such Holders consented to the Proposed Amendments. The Proposed Amendments contained therein will become operative on the Operative Date upon the registration of the Bondholder Resolutions with the Register of Companies (*Registro delle Imprese*) of Bologna, Italy.

Consent General Conditions

Notwithstanding any other provisions of the Consent Solicitation, our obligation to consummate the Consent Solicitation and the effectiveness of the Supplemental Indenture are conditioned on the following conditions, which we refer to as the consent general conditions:

- (i) receipt of the Requisite Consents;
- (ii) passing of the Bondholder Resolutions at the Bondholder Meeting;
- (iii) approval of the Proposed Amendments by the board of directors of the Issuer;
- (iv) execution and delivery of the Supplemental Indenture by the Issuer, the Guarantors and the Trustee;
- (v) the filing and the registration of the Bondholder Resolutions with the Register of Companies (*Registro delle Imprese*) of Bologna, Italy; and

- (vi) the absence of any laws, regulations, injunctions or actions or other proceedings, pending or threatened, which, in the case of any action or proceeding if adversely determined, would make unlawful or invalid or enjoin the implementation of the Proposed Amendments.

If any of the consent general conditions are not satisfied or waived, we may (subject to receiving the affirmative consent of the Ad Hoc Group), at any time prior to the date of the Bondholder Meeting:

- terminate the Consent Solicitation, in which case the delivered Consents will be of no further force or effect;
- modify or otherwise amend this Statement and retain all delivered Consents until the Consent Expiration Date; or
- waive the unsatisfied conditions with respect to the Consent Solicitation (except with respect to the conditions with respect to the receipt of the Requisite Consents, the Bondholder Resolutions (including their filing and registration with the Register of Companies (*Registro delle Imprese*) of Bologna, Italy) and the approval of the Issuer's board of directors).

In accordance with the terms and conditions set out herein, the Proposed Amendments approved pursuant to the Consent Solicitation will be binding on all Holders of Notes and their successors and transferees on the Effective Date, whether or not such Holders consented to the Proposed Amendments.

Revocation of Consents

Consents transmitted in connection with the Consent Solicitation are validly revocable as set out in this paragraph. Once you deliver a Consent, you may validly revoke your Consent only by providing to the Information and Tabulation Agent notice of such revocation through the standard revocation procedures of Euroclear or Clearstream before the Consent Expiration Date.

If we terminate the Consent Solicitation, all Consents shall automatically be deemed to be withdrawn and of no further force or effect.

Representations, Warranties and Covenants

By submitting a valid Consent, and subject to the terms and conditions of the Consent Solicitation generally, each consenting Record Date Holder, including any Direct Participant and the beneficial owner on whose behalf the Direct Participant is acting, if applicable, will be deemed to represent, warrant and undertake to the Issuer, the Guarantors, the Information and Tabulation Agent and the Trustee at the time of submission of such Consent and on each of the Consent Expiration Date and the Record Date that:

- (3) it owns the Notes for which it is providing Consent and has full power and authority to execute and deliver the Consent pursuant to the Consent Solicitation;
- (4) it is assuming all risks inherent in participating in the Consent Solicitation and has undertaken appropriate analysis of the implications of the Consent Solicitation without reliance on the Trustee and its directors, officers, employees, agents or affiliates;
- (5) the Notes have been blocked in the securities account to which such Notes are credited in the relevant Clearing System with effect from, and including, the date on which the Direct Participant electronically delivers a Consent and will remain blocked until the earlier of the Record Date and the date on which the Consent Solicitation is terminated, in each case in accordance with the normal procedures of the relevant Clearing System and after taking into account the deadlines imposed by such Clearing System;
- (6) the Notes are, at the time of delivery of Consent, and will continue to be, held by it at the relevant Direct Participant until the Consent Expiration Date;

(7) the Direct Participant, if applicable, acknowledges that by submitting an Electronic Consent Instruction through the relevant Clearing System, it will be deemed to have consented to the disclosure by the relevant Clearing System of certain details concerning its identity, and agrees that it shall disclose the identity of each consenting Record Date Holder to the Information and Tabulation Agent who may provide such details to the Issuer and the Guarantors;

(9) it instructs the Information and Tabulation Agent to vote on its behalf at the relevant Bondholder Meeting pursuant to its Electronic Consent Instruction, and it irrevocably constitutes and appoints the Information and Tabulation Agent as its agent and attorney-in-fact with respect to its vote at the relevant Bondholder Meeting (such instruction shall be irrevocable through the Clearing Systems from and after the Consent Expiration Date);

(10) it empowers, authorizes, and requests the Trustee to do all such other things as may be necessary or expedient to carry out and give effect to the Consent Solicitation and the Proposals, which shall include (without limitation) executing the Supplemental Indenture and instructing the Information and Tabulation Agent to vote at the relevant Bondholder Meeting pursuant to the Electronic Consent Instructions or the Notices of Consent received from Holders;

(11) upon request, it will execute and deliver any additional documents deemed by us to be necessary or desirable to perfect the delivered Consent;

(12) it agrees that any Consent it delivers hereby is validly revocable only by following the revocation procedures described herein and that any attempt to revoke a Consent by any other method not described herein or after the applicable revocation deadline described herein will not constitute a valid revocation of a previously provided Consent;

(14) it acknowledges that all authority conferred or agreed to be conferred pursuant to these representations, warranties and undertakings and its obligations and the Consents given by it shall be binding (to the extent applicable in law) upon its successors, assigns, heirs, executors, administrators, trustees in bankruptcy and legal representatives and shall not be affected by, and shall survive, its death or incapacity;

(15) except as expressly set forth in this Statement, no information has been provided to it by the Information and Tabulation Agent or the Trustee with regard to the tax consequences to the Holders of Notes arising from their participation in this Consent Solicitation, and it acknowledges that it is solely liable for any taxes and similar or related payments imposed on it under the laws of any applicable jurisdiction as a result of its participation in this Consent Solicitation and agrees that it will not and does not have any right of recourse (whether by way of reimbursements, indemnity or otherwise) against us or any of our subsidiaries, the Information and Tabulation Agent or the Trustee or any other person in respect of such taxes and payments;

(16) none of the Issuer, the Guarantors and their respective affiliates, agents and representatives, the Information and Tabulation Agent or the Trustee has given it any information with respect to the Consent Solicitation save as expressly set forth in this Statement, nor has any of them made any recommendation to it as to whether it should participate in the Consent Solicitation, and it has read and understood this Statement and has made its own decision with regard to participating in the Consent Solicitation based on any legal, tax or financial advice it has deemed necessary;

(17) it has not relied on the Trustee, the Information and Tabulation Agent or any person affiliated with any of them in connection with its investigation of the accuracy of this Statement or its decision to consent to the Proposals and declares and acknowledges that neither the Trustee, the Information and Tabulation Agent nor any person affiliated with any of them has independently verified or makes any representation or warranty, express or implied, or assumes any responsibility as to the accuracy or adequacy of the information contained herein;

(18) it hereby acknowledges that this Statement and the transactions contemplated hereby will not be deemed to be investment advice or a recommendation as to a course of conduct by the Trustee or any of its directors, officers, employees or agents;

(19) it has not distributed or forwarded this Statement or any other documents or materials relating to the Consent Solicitation to any person(s), and it has complied with all laws and regulations applicable to it for the purposes of its participation in the Consent Solicitation;

(20) it irrevocably instructs the Information and Tabulation Agent as its proxy (with full knowledge that the Information and Tabulation Agent also acts as the Issuer's and the Guarantors' agent) with respect to the Consent delivered with full power to deliver the Consent set forth in this Statement to the Issuer and the Guarantors (such instruction shall be deemed irrevocable from and after the Consent Expiration Date);

(21) it does remise, release and forever discharge the Trustee, the Information and Tabulation Agent and their employees, officers, directors, affiliates, agents, predecessors and successors, as applicable, of and from any and all manner of actions, causes of actions, suits, debts, dues, accounts, bonds, covenants, contracts, agreements, judgments, claims and demands whatsoever in law or in equity arising from and relating to the execution of the Supplemental Indenture and any transactions contemplated in connection with the Consents and this Statement;

(23) it hereby agrees to indemnify the Issuer, the Guarantors and their respective affiliates, the Information and Tabulation Agent and the Trustee against all and any losses, costs, claims, liabilities, expenses, charges, actions or demands which any of them may incur or which may be made against any of them as a result of any breach of any of the terms of, or any of the agreements, representations, warranties and/or undertakings given pursuant to, the Consent Solicitation (including any Consent) by it.

By submitting an Electronic Attendance Notice through and in accordance with the procedures of a Clearing System, a Record Date Holder, including the Direct Participant and the beneficial owner on whose behalf the Direct Participant is acting, will be deemed to represent, warrant and undertake to the Issuer, the Guarantors, the Information and Tabulation Agent and the Trustee at the time of submission of such Electronic Attendance Notice and on each of the Consent Expiration Date and the Record Date that:

(1) it has received, reviewed, understood and accepted the terms of delivering an Electronic Attendance Notice and agrees to be bound to such terms;

(2) it acknowledges that the delivery of an Electronic Attendance Notice in accordance with the procedures of the Clearing Systems (i) constitutes the Holder's written notice to the Issuer of its intention to participate and vote (directly or through another representative) at the Bondholder Meeting and (ii) does not constitute the submission of a Consent to the Issuer;

(3) it owns the Notes for which it is providing the Electronic Attendance Notice and has full power and authority to deliver, or direct the delivery of, the Electronic Attendance Notice;

(4) it is assuming all risks inherent in submitting an Electronic Attendance Notice and has undertaken appropriate analysis of the implications of submitting an Electronic Attendance Notice without reliance on the Trustee and its directors, officers, employees, agents or affiliates;

(5) the Notes are, at the time of delivery of the Electronic Attendance Notice, and will continue to be, held by it at the relevant Direct Participant until the Consent Expiration Date;

(8) none of the Issuer, the Guarantors and their respective affiliates, agents and representatives, the Information and Tabulation Agent or the Trustee has given it any information with respect to the Consent Solicitation save as expressly set forth in this Statement, nor has any of them made any recommendation to it as to whether it should participate in the Consent Solicitation or provide an Electronic Attendance Notice, and it has read and understood this Statement and has made its own decision with regard to participating in the Consent Solicitation or providing an Electronic Attendance Notice based on any legal, tax or financial advice it has deemed necessary;

(9) it has not relied on the Trustee, the Information and Tabulation Agent or any person affiliated with any of them in connection with its investigation of the accuracy of this Statement or its decision to submit an Electronic Attendance Notice and declares and acknowledges that neither the Trustee, the Information and Tabulation Agent nor any person affiliated with any of them has independently verified or makes any representation or warranty, express or implied, or assumes any responsibility as to the accuracy or adequacy of the information contained herein;

(10) it hereby acknowledges that this Statement and the transactions contemplated hereby will not be deemed to be investment advice or a recommendation as to a course of conduct by the Trustee or any of its directors, officers, employees or agents;

(11) it has not distributed or forwarded this Statement or any other documents or materials relating to the Consent Solicitation to any person(s), and it has complied with all laws and regulations applicable to it for the purposes of its participation in the Consent Solicitation or provision of an Electronic Attendance Notice;

(12) it irrevocably instructs the Information and Tabulation Agent to deliver the Electronic Attendance Notice to the Issuer and the Guarantors (such instruction shall be deemed irrevocable from and after the Consent Expiration Date);

(13) it hereby agrees to indemnify the Issuer, the Guarantors and their respective affiliates, the Information and Tabulation Agent and the Trustee against all and any losses, costs, claims, liabilities, expenses, charges, actions or demands which any of them may incur or which may be made against any of them as a result of any breach of any of the terms of, or any of the agreements, representations, warranties and/or undertakings given pursuant to, the Consent Solicitation by it.

If the relevant Record Date Holder is unable to give the applicable representations and warranties described above, such Holder or any of the Notes should contact the Information and Tabulation Agent.

In accordance with normal practice, the Trustee and the Information and Tabulation Agent express no opinion on the merits of the Consent Solicitation, the Proposals, or on the terms of this Statement. The Trustee and the Information and Tabulation Agent have not been involved in formulating the Proposals and the terms of this Statement, and makes no representation that all relevant information has been disclosed to Holders herein. Each Holder is responsible for assessing the merits of the Statement and the Proposals. Accordingly, the Trustee recommends that Holders seek their own independent financial, regulatory, tax, business, accounting or legal advice with regard to the impact of the implementation of the Consent Solicitation and the Proposals.

The Trustee shall only execute the Supplemental Indenture upon receiving (i) an Opinion of Counsel and an Officers' Certificate in accordance with the Indenture, (ii) certification from the Information and Tabulation Agent regarding the Consents received and that the Requisite Consents have been received and (iii) the approval of the Bondholder Resolutions at the Bondholder Meeting.

The entry into the Supplemental Indenture and the approval of the Bondholder Resolutions at the Bondholder Meeting will not require the Trustee to, and the Trustee shall not, consider the interests of the Holders either as a series or as individuals.

This Statement does not discuss the tax consequences to Holders of the Consent Solicitation. Holders are urged to consult their own professional advisers regarding these possible tax consequences under the laws of the jurisdiction that apply to them. Holders are liable for their own taxes and have no recourse to the Issuer, the Trustee or the Information and Tabulation Agent with respect to taxes arising in connection with the Consent Solicitation.

If, after such good faith effort, we cannot comply with any such applicable laws, the Consent Solicitation will not be made to (nor will Consents be accepted from or on behalf of) the Holders of Notes residing or having a principal place of business in each such jurisdiction.

From time to time, we or our affiliates may engage in additional consent solicitations. Any future consent solicitations may be on the same terms or on terms that are more or less favorable to Holders of Notes than the terms of the Consent Solicitation, as we may determine in our sole discretion.

Questions and requests for assistance regarding submission of instructions or additional copies of this Statement and the Indenture may be directed to the Information and Tabulation Agent at the address below. Holders should retain their Notes and not deliver any such Notes to the Information and Tabulation Agent.
